CLERK U.S.  
DISTRICT COURT

Jonathan Lee Riches,  
Plaintiff

CASE NO.

v.

Daylight Saving Time,  
Defendant's

Preliminary Injunction  
Temporary Restraining Order, TRO

Comes now, Jonathan Lee Riches, in pro se,  
Moves this honorable court for a Restraining  
order Against Daylight Saving Time, and for  
the clocks to move back to its original form.  
I Face Danger from Daylight Saving Time which  
is disrupting my biological clock, it Disrupts  
my sleeping patterns which could cause me to  
get a heart Attack.

Daylight saving time disrupts all American's  
Farming, travel, record keeping, medical Devices,  
Daylight Saving time is Manipulating our Earth's  
natural cycle, we don't need Government interference  
in our lives, this is a Danger.

Also, Daylight Saving time is misrepresenting  
and inaccurate, since no daylight is actually  
saved. It should be changed to Daylight  
Shifting time if this court won't grant the restraining  
order in the Alternative, too much light will  
cause me skin cancer and Extra Vitamin D  
the Defendants are a Danger to children because

it causes obesity in Kids having extra daylight  
to go trick or treating during Halloween  
Daylight Saving Time Effects the bottom line of  
Radio Stations who can only operate in the day.  
Also, it brings confusion to travelers and  
Residents of Hawaii, Parts of Indiana, Guam,  
Puerto Rico who don't celebrate Daylight Saving  
time.

I seek a restraining order Against Daylight  
Saving time - put the clocks back - the whole  
world needs to follow the same time - this  
will bring a togetherness in the world, cause  
the goal is to bring a new world order Anyway,  
so we need all the clocks the same. I am  
a Proud American facing danger because of  
this clock Atrocity - please help.

I pray For relief.

Respectfully
